

## **Meeting Minutes New Lebanon CAC - Nov 10, 2025**

Attending: Bruce Shenker, Steve Powers, Donald Lamonaca, Bill O'Neill, Peg Munves

Approval of Oct 2025 Minutes – Bill motioned, Bruce 2<sup>nd</sup> – all approve

LANDFILL update – Will be done in Spring, need to winterize it, looking at placing solar array there; regarding water testing, the CAC will pay for some testing downgrade of the landfill; DEC will be monitoring the test wells in the spring and will keep us posted

ZRC requests another CAC member on the COMP PLAN committee – Bruce Shenker will be the second member with Peg Munves alternating on the committee meetings when Bruce or Donald are not available – Peg will bring this to the TB meeting for their approval Nov 11

WATER TESTING – Peg and Donald will test in early December; there is about 5K remaining in the test budget which needs to be spent by end of 2026; we need to look for more funding to continue testing

OTHER BUSINESS/NEW BUSINESS – still looking for a new member or two – folks who are able to dive into a project and attend most meetings, several names were suggested and further discussion will be had;

CSC will share fliers on preparing for floods, flood mitigation
