RE: Proposal – Agreement for Engineering Services – Amendment #3  
**Town of New Lebanon – Water and Wastewater System**  
Preliminary Engineering and Project Development

Dear Supervisor Houghtling and Town Board:

Below is a summary of the modifications of the scope of services to be provided as previously defined in the June 15, 2023 Agreement and Amendment #2 dated October 24, 2025 for Preliminary Engineering and Project Development for the Town of New Lebanon. This amendment intends to removed the Additional Services Scope of work for attorney assistance with the Town's district creation process and bonding tasks needed to prepare for the submission of a funding application as the Town is going to contract directly with counsel to complete these tasks. The scope to be removed from the previous agreement amendment is as follows:

### SCOPE OF SERVICES

**DISTRICT CREATION TASKS** - Assistance with Bonding Process required for NYSEFC Water Grant Submission.

**Water District Creation Tasks (Bond Counsel Resolutions) = \$4,400**

**Sewer District Creation Tasks (Bond Counsel Resolutions) = \$4,400**

In Summary, the total anticipate project costs for the Water scope of the project is **\$20,380.00** and the anticipated costs for the Wastewater (Sewer) scope of the project is **\$29,464.44**.

Hon. Tistrya Houghtling, Supervisor  
Town of New Lebanon
