Recreation Commission Meeting - June 16, 2026

Present:

Scout Metzler
Pat Mittnight-Metzler
Ayannah Meyson
Danielle Patterson
Stuart Raab

Meeting was called to order at 5:06 pm.

Danielle reported a lot of wash out and weeds in the park that need attention and brought supplies for a work day after the meeting. She also updated us that Britt Buckenroth and highschoolers put up the book walk from the tennis court to trees for tribs.

A motion was made by Pat to accept the offer of a new pavilion sign being donated by her friend to the park. Danielle seconded and all present were in favor of this donation. Once made we discussed the rec commission being the ones to install.

Danielle updated us that nothing more has been done for repairing the pavilion at this time. Chris has power washed parts of the roof but people have not been able to coordinate a time for the work required.

Playground surface has not yet been poured but hopefully will be done this week. It should be set for the beginning of camp.

Danielle plans to ask Chris about taking down the softball fence.

We discussed the need for safety signs at the skatepark. Danielle let us know that these are in process and should be up by the time the skatepark is completed. The question came up whether we could put up signs in the interim to let people know skating is at their own risk until completed. This will require at least a couple more work days.

Punk and Puke is happening again this summer. Pat brought up the need for fun things for younger kids at the park and was discussing a field day type of event.

Pat let us know she had come to the town hall to discuss with Tistrya how to get the recordings during meetings going. At that time she says Tistrya told her it was

acceptable to use sexual harassment training you have received through work for the town requirement.

We again discussed adopting sections of the trail; Danielle will make a map.

Pat weed whacked in front of the pavillion and suggested that Mike might be able to do one more closer sweep with the mower in areas to avoid the need for weed whacking.

We discussed the different roles of paid employees at the park. Mike maintains the park and a second employee Charlie gets the park ready for events.

Our next meeting is scheduled to be held July 21st at 5:00pm.

There was a motion, a second, and a unanimous vote to adjourn the meeting at 5:40pm.

Minutes prepared by Ayannah Meyson
