Good evening,
I know the review meeting is very soon and this letter might be too tardy, but I did want to register my hope that the project is downsized a little. It is too many residences for that area. I am a young mother (thus always being late to do anything! :)) and I take my 2 year-old religiously to the storytime at the New Lebanon Library. I'm very concerned there will be too much traffic, not enough parking, and that this will impact the library-truly one of my favorite parts of our town. I'm not opposed to more residences or a store in that location, I just think it's way too big as proposed currently. I also would like to see the plan comply with the DOH requirements for water.

Thank you for your time!
Sara Swan
